PROFILE

I work at the intersection of youth leadership, climate education, and community engagement, helping young people become active leaders in climate action. I have worked with government departments, universities, and civil society organisations to implement climate education and youth engagement initiatives across Kerala and India.

CURRENT ROLES

Community & Engagement Lead · National Youth Climate Consortium

March 2025 – present

Connecting youth climate leaders across India, supporting youth-led climate action chapters, and facilitating partnerships between youth networks, organisations, and government.

Co-Founder · Kerala Climate Shield

July 2026 – present

Climate resilience initiative focused on awareness, capacity building, partnerships, and practical weather-monitoring tools.

Head of Human Resources · Bring Back Green Foundation

May 2021 – present

Developing programmes for climate awareness, sustainability education, and youth capacity building, with partners including Kerala's General Education Department, KILA, and the Kerala State Pollution Control Board.

Operations · EcoPositive Chronicles

October 2026 – present

SELECTED WORK

Climate Learning & Action Hub · Aspire Seed Fund 2025

Thrissur · December 2025 – March 2026

Designed and implemented a pilot youth climate action programme with workshops and leadership activities: 85 youth engaged directly, 650+ people reached.

State-Level Project Coordinator & Program Lead, Climate Education · Bring Back Green

Program Lead, June – December 2023

Climate education programme with Kerala's General Education Department, including sessions and the two-day Verukal Camp at SN Girls' School, Kanimangalam.

Co-Founder · Learnesta

March 2021 – May 2023

Education startup with a dual-teacher model: 124 students from the 2021 batch placed in central universities.

Startup ecosystem facilitation · KITEZ Kerala
